

Hello, I'm Deep Dakshy.

Dedicated Multidisciplinary artist, interested in creating and learning self-expression through an unwavering commitment to explore the multi-faceted world of Visual art. Born in Kolkata, India, my interests in film manifested from my initial experience in Photo Journalism and Graphic Design eventually growing into every avenue of creative media as a Creative Producer. Skilled in all aspects of Film Production from conceptualization to post-production, including expert experience in Cinematography and all Industry-standard software.

Experience

2014 - 2015 — 2015 - 2017 — 2018 - 2020 — 2018 - 2020 — 2021 - CURRENT

MET film school, Berlin MASTERS IN CINEMATOGRAPHY

After accumulating on-ground experience for seven years, I decided to elevate my skill set by developing a Master's Degree specializing in my true passion, Cinematography. Currently focusing on the intricate performance of storytelling through expert technical precision at Metfilm School Berlin.

HOICHOI, Kolkata CREATIVE CONTENT PRODUCER

Award-winning OTP platform specializing in Bengali Content.
-Managed a small creative team in creating marketing content for film and web series featured on the company streaming service.
-Produced, Conceptualized, Shot and Directed short-form original content showcased on the streaming platforms including Kolkotha, Faces of Durga, Chai With Eken.
-Oversaw all stages of development from pre-production, production, and post-production resulting in an increase in yearly platform subscriptions from the previous year.

RENTOMOJO, Bangalore CREATIVE PRODUCER

RentoMojo is an online rental platform that provides asset leasing
• Created tech-based creative content informing customers on how the technology works and about the services.
• Executed and led all aspects of content creation from Writing and Directing to Shooting and Editing with a small expert team to create awareness around the brand.
• Liaison between in-house and external production houses, managing external vendors to execute precise content on a budget.
• Conceptualize new and unique ways to promote high-level tech services, accumulating higher website click-through rates for the final quarter of 2016.
